## poppy with an edge

### **description**

The Poppy coffee table is also available with the addition of a folded steel sheet that wraps around a portion of the table top and down one side. It adds a captivating layer of textural richness as well as a stain- and burn-resistant resting place for wet martinis and overflowing ashtrays.

Made to order and handcrafted in Toronto

### **materials**

Wood veneer and ¼-inch steel with satin nickel pewter finish

### **dimensions**

Height: 24" (61cm)

Width: 18" (46cm)

Length: 18" (46cm)

### **shipping and delivery**

This item is custom made to your exact needs.

Typically, it will be ready to ship within 12 to 14 weeks after purchase.
