

ASHLEY
BOTTEN
DESIGN

sue sue table

description

Ashley's affinity for natural materials is fully expressed in Sue Sue, a solid wood table that seats up to four. The conical shape of its pedestal shows off the wood grain at its most dramatic. Carved into its surface is a delicate linear pattern, adding a small but significant finishing touch.

Shown in solid bleached ash

Custom made and handcrafted in Toronto

material

Solid wood

dimensions

Height: 29.5" (75cm)

Width: 36" (91cm)
